

Fireclay Kitchen Sinks

TICOR

*Catalina
Series*

Introducing the Catalina series: modern design intersects classic craftsmanship.

- Fireclay: quartz, china clay and kaolin blended, molded and fired at over 2000° to create a naturally resilient, beautiful, and durable kitchen centerpiece
- Luxurious artisanal glaze on all sides proves extremely resistant to scratches, stains, and chips
- Ultra-smooth surface is up to 19x smoother than standard glaze, making it easy to clean and repels bacteria, dirt, and lime
- Custom-fit accessories enhance your workspace
- Guaranteed by the Ticor Limited Lifetime Warranty

Fireclay

*Apron Sinks...3-5
Dual-Mount Sinks...6-7*

Fireclay is naturally sound and vibration absorbant

Proprietary fusion-glazing process is 19x smoother than regular glaze
